Carluke Camera Club Founded 1977

www.carluke-cc.org.uk

Are you interested in photography?

interested in taking up a new hobby? ..
...or in improving your photography, or you just enjoy looking at photos...
then come along and see what Carluke Camera Club has to offer.

We meet from Sept to Apr
7.30 - 10pm
For 2026 we will meet on a Friday evening and for 2027 we are moving to a Thursday

Our weekly syllabus has something for everyone with member's nights, fun nights and visiting speakers, as well as competitions for the more competitive. Visiting national speakers will present a variety of subjects including Nature, Travel, Landscape or Sport to Photo Documentary, Creative, Macro or Audio Visual. See our website for full details as they become available.

We are a small friendly group of amateur photographers with a like interest in photography. Between us we specialise in a variety of subjects, giving us a wide cross section of knowledge that we are very willing to share.

Advice is always available on an informal basis anytime. We can help, whether you are novice or advanced... Perhaps you want to find out more about your camera, or help to take better photos... Or you are interested in learning more about processing your digital photos, or learning how to print, interested in Black and White or perhaps you have recently acquired a film camera. We can run workshops at times on a separate night to suit the needs of our members, dates for these are announced as required.

CARLUKE
Camera Club

Is it expensive to be a member?

The membership fee for the 2026-27 season is £70. There is no nightly fee payable.

Do I need expensive equipment?

No, you don't need any special type of camera to be a member, in fact you don't need a camera at all unless you want to enter competitions. To enter our competitions all you need is a camera phone or basic camera and access to a computer.

Interested in Club Competitions

The Club runs a Championship competition consisting of 6 competitions annually. We also have Annual Print and Annual Digital competitions with separate subject categories. Full Rules are supplied separately. Membership must be paid to be eligible to enter. Help is available on how to enter for anyone who requires assistance. Anyone joining us from another Scottish Club is asked not to use any work used externally with that previous Scottish Club.

The Club is affiliated to several photographic organisations both local and International

Internationale De L'Art PhotoGraphique (FIAP)
Photographic Alliance of Great Britain (PAGB)
Scottish Photographic Federation (SPF)
Glasgow District Photographic Union (GDPU)

These affiliations allow our members access to a wider network of photography, as well as our Club access to a greater variety of services. As one of the top Clubs in Scotland, we regularly compete in national competitions, as well as more local friendly inter-clubs.

Meet us at - United Reformed Church Hall, Carnwath Road, Carluke ML8 4DF
